THE PUBLIC UTILITIES BOARD OF MANITOBA
400-330 Portage Avenue
Winnipeg, Manitoba
R3C 0C4

ATTENTION: Mr. H. M. Singh, Board Secretary and Executive Director

Dear Mr. Singh:

**RE: CENTRA GAS MANITOBA Inc. (“Centra”)
Process for Review of Gas Supply, Storage and Transportation Arrangements**

The Public Utilities Board of Manitoba (“PUB”) in Order 55/10 (at page 61) directed that:

“Centra is to file with the Board a discussion paper reviewing and addressing the issue of the possible future replacement of Centra’s current American Storage and Transportation assets, prior to Centra holding a technical conference on the topic.”

Centra is hereby enclosing its discussion paper on the Process for Review of Gas Supply, Storage and Transportation Arrangements. This discussion paper includes, as Attachment 1, a consultant report related to gas supply, storage and transportation matters.

Attachment 2 to this submission is the agenda for the technical conference scheduled to be held on these matters on Friday, July 8, 2011 at the Manitoba Hydro Head Office located at 360 Portage Avenue. Teleconferencing arrangements will be made available to interested parties unable to attend the technical conference in person on that day.

Interested parties are invited to advise Centra of their interest in participating in the technical conference, either in person or by way of teleconference, no later than Tuesday, July 5, 2011. Further instructions regarding teleconferencing arrangements will be provided thereafter.

Copies of this submission have been provided, both electronically and in hard copy, to the PUB and its advisors and Registered Intervenors of Past Record, and in electronic format to Registered Natural Gas Marketers and Large Volume Customers. Should you have any questions regarding this submission, or require additional paper copies, please contact the writer at 360-3257 or Greg Barnlund at 360-5243.

Yours truly,

MANITOBA HYDRO LAW DEPARTMENT
