ATTENTION: Mr. D. Christle, Board Secretary and Executive Director

Dear Mr. Christle:

**RE: CENTRA GAS MANITOBA INC. (“CENTRA”)
2015/16 COST OF GAS APPLICATION**

On August 21, 2015 the Public Utilities Board of Manitoba (“PUB”) provided Centra Gas Manitoba Inc. (“Centra”) with a listing setting out what currently redacted information contained in Centra’s 2015/16 Cost of Gas Application (“Application”) should be filed on the public record.

In accordance with the PUB’s direction in its August 21st letter, Centra met with advisors from the PUB to discuss additional redactions that are necessary to mitigate any potential harm to Centra and its ratepayers that may result if this information is publicly available.

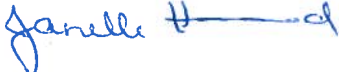

Please find attached (9) copies of a revised redacted public version of the Application that reflects the consensus reached between Centra and the PUB advisors with respect to the redactions required in Centra’s application.

Also enclosed is the attachment to Centra’s Report on the Merits of Third Party Asset Management Arrangements provided in Appendix 7.3, and the attachment to the Information Request response to PUB/Centra I-81e filed in confidence on August 21, 2015. Both attachments were inadvertently omitted in the paper copies of these submissions.

Should you have any questions regarding this submission, please contact the writer at 204-360-3257 or Greg Barnlund at 204-360-5243.

Yours truly,
