

Manitoba Hydro Undertaking #109

Manitoba Hydro to provide a detailed breakdown of the CPJ estimate of \$2.248 billion.

For clarification, the detailed breakdown of the CPJ estimate of \$2.248 billion was provided as Tab 70 of the PUB Book of Documents, Volume 3 (PUB Exhibit #18).

Undertaking #109 pertained to a detailed breakdown of the unapproved \$4.1 billion estimate.

All previous estimates have now been superseded with three separate Bipole III CPJ's (Transmission Line, Converter Stations, Collector Lines). Please refer to MH Exhibit #99.
