

**Manitoba Hydro Undertaking #29**

Refile figure 7 – showing the top consumers forecasts for 3 different load forecasts all in same graph : 1) May 2008 load forecast; 2) May 2009 load forecast; and 3) Aug 2010 load forecast. Provide data points for each year similar to the middle column on Table 8, pg. 28 of the August 2010 load forecast.

**TOP CONSUMERS**  
**History and Base Forecasts**
