**Manitoba Hydro Undertaking #54**

Manitoba Hydro to consider who or what position MH believes is most appropriate to be the signatory on the information being provided to the PUB regarding the SEP program rates that are being requested.

**Response:**

As is the case for all information it files with the PUB, Manitoba Hydro takes responsibility for the accuracy and integrity of the Surplus Energy Program (SEP) rates information. The signing authority for the SEP program is with the Division Manager, Rates and Regulatory Affairs, or his/her delegate.
