

MANITOBA HYDRO

2012/13 & 2013/14 ELECTRIC GENERAL RATE APPLICATION

UNDERTAKING PROVIDED BY: L. MORRISON

Manitoba Hydro Undertaking #64

Manitoba Hydro to provide the percentage of tenants participating in the Water & Energy Savings Program as compared to the general population of participants in the program.

Response:

The below table shows the percentage of rental dwellings participating in the Water and Energy Saver Program as compared to the general population of participants in the Program. The data is for the timeframe of September 10, 2010 to December 31, 2012.

	Total Program Participation by Dwelling Type	Tenant Participation	Tenant Participation as % of Program	% of tenants by Dwelling Type in Mb*
Single Detached/Multi-Attached	67 552	2 179	3%	5%
Apartments	21 755	21 084	97%	70%
Total	89 307	23 263	26%	13.4%

*As per the Manitoba Hydro 2009 Residential Energy Use Survey
