

REQUESTS OF THE CITY OF WINNIPEG
OF THE PUBLIC UTILITIES BOARD
IN THE 2015/2016 AND 2016/2017
MANITOBA HYDRO GENERAL RATE APPLICATION

1. That the Public Utilities Board direct Manitoba Hydro to provide the City of Winnipeg forthwith with the location, type of luminaire and type of pole for each luminaire in Winnipeg for which the City of Winnipeg is currently billed.
2. That the Public Utilities Board direct Manitoba Hydro to provide the City of Winnipeg forthwith with a map outlining the boundaries relating to each of the 17 invoices with which the City is provided.
3. That the Public Utilities Board direct Manitoba Hydro to update the 1990 Cost of Service Study for the Area and Roadway Lighting class and file it as evidence in the Cost of Service hearing to take place later in 2015.
