

ELECTRIC GENERAL RATE APPLICATION 2015**Manitoba Hydro Informal Undertaking #2**

Manitoba Hydro to prepare a chart showing new sharing arrangements with respect to the Great Northern Transmission Line and explain how it works from an accounting perspective.

Response:

Mr. Cormie explained the costs sharing arrangements for the GNTL for capital and ongoing operating costs in his direct presentation on June 2, 2015 as part of the Finance Panel. The requested chart was included on slide 3 of MH Exhibit # 53.
