

ELECTRIC GENERAL RATE APPLICATION 2015**Manitoba Hydro Undertaking #25**

Manitoba Hydro to confirm whether there is currently a tool analogous to an asset health index with regard to ongoing buildings.

Response:

Confirmed. Manitoba Hydro undertook an extensive condition evaluation of its corporate facilities to create an asset management tool, a Facility Condition Index (FCI).

Based on this information, the Corporation has developed a 10 year plan to upgrade all buildings to an appropriate FCI to maintain the assets.
