Board Decision on PHC Deferral

Date:

February-04-15 4:26:47 PM

In response to Item 2 below – MH letter received this afternoon to defer the PHC...

The Board has considered Manitoba Hydro’s request to defer the PHC

Board Decision:

- The Board will not grant Manitoba Hydro’s request to defer the PHC – The PHC will proceed tomorrow as scheduled.
- All parties should make best efforts to present their cases and discuss matters outlined in the Board’s letter of January 16, 2015

PHC Logistics

- PHC will start at 9:30 tomorrow morning at the Board’s office
- The entire floor is a construction zone so “business casual dress” is appropriate under these circumstances.
- Please watch your step getting off the elevator and throughout the hearing room....the “cardboard floor” has a tendency to lift causing a tripping hazard.
- Despite the construction, the hearing room remains functional and clean.

Subject: Intervener submissions

Good Afternoon all

Two matters

1 Intervener Submissions

Some of you may not have received all Intervener submissions.

I remind all parties to make sure you copy everyone on your submissions.

I attach

- MKO Application (Intervener Application)
- GAC Application (Scan)

2 MH letter received this afternoon to defer the PHC

The Board is considering the letter from Manitoba Hydro received this afternoon to defer the PHC scheduled for tomorrow.

I will advise all parties of the Board's decision once received.
