Dear Madam:

**Re: Manitoba Hydro General Rate Application –  
Undertakings of the PUB to KM of May 17, 2011**

As counsel to the PUB in the MH GRA process we have been asked to respond to your letter of May 20, 2011 to Mr. Singh of the Public Utilities Board.

The PUB, through our office as counsel, provided to KM a series of pre-ask questions and a series of undertaking questions. The Board requires a response to the questions posed to KM. KM are appointed as independent experts with counsel to represent them. The Board expects to receive a response from KM at the recommencement of the hearing process on May 26, 2011.

The Board acknowledges receipt of MH's letter of May 20, 2011, and it will be put on the record of proceedings as MH's next exhibit as part of the hearing record.

Yours truly,

**FILLMORE RILEY LLP**
