**La Capra Associates Undertaking # 115**

La Capra to provide a comparison of surplus energy from the CCGT Plan as shown in Figure 3-9 to the Preferred Development Plan between 2020 and 2035

**Response:**

The figure below compares surplus energy between the CCGT Plan and the Preferred development plan for the period 2020-2035. Surplus energy includes all firm and opportunity export energy, and the values provided are the average of all 99 flow conditions modeled in SPLASH.
