

17

18 **Undertaking 99: Status of Barren-land Caribou and Coastal Caribou:**

19 Confirm MH's suggestion on the status of barren-land and coastal caribou.

20 **Boreal Woodland Caribou** (Including the Manitoba population)

21 Status = Threatened (Reconfirmed May 2002, COSEWIC) *COSEWIC Assessment and Update Status*
22 *Report on the Woodland Caribou, 2002.*

23 Status = Threatened (Confirmed 2003, SARA) *Manitoba's Conservation and Recovery Strategy for Boreal*
24 *Woodland Caribou, 2005.*

25 Status = Endangered (Suggested in 1994, Manitoba Endangered Species Advisory Committee) as
26 defined by the Manitoba Endangered Species Advisory Committee. *Manitoba's Conservation and*
27 *Recovery Strategy for Boreal Woodland Caribou, 2005.*

28 **Barren Ground Caribou**

29 Status = There is no evidence that suggests this grouping is considered endangered or
30 threatened, nor was this suggested in MNP's report.

31 **Coastal Caribou**

32 Status = There is no evidence that suggests this grouping is considered endangered or
33 threatened, nor was this suggested in MNP's report.
