## BEST RATES

### Our rates are the best

Need a bit more time? Can't make payroll on your next payday? We are very flexible with repayment dates. Just let us know when you fill out the application form, and you can take up to 30 days to pay off your instant payday loan.

## NO HASSLES

### We don't believe in hassles

Getting a storefront is a huge inconvenience. Instead, just fill out our online application form. It takes less than five minutes, and you don't have to get in anyone's way.

## FASTER

### It couldn't be faster

We know your time is valuable, so we don't want to waste it. It could take hours out of your day to go to a storefront, but with instant Payday Canada you can get your payday money fast. In as little as 15 minutes.

### What are payday loans and cash advances?

A payday loan, or as you may have heard it called, a cash advance, is a loan of up to \$1500 that is intended to be paid back within a week or so, at the time of your next scheduled payroll. This loan covers your various typical expenses that don't happen to fit into your regular budget. While payday loans Canada can be up to \$1500, a typical loan will be for around \$300-400. The fees are obviously higher than that of a credit card, but they are far easier to obtain and they can usually be acquired even with bad credit or no credit at all. In fact, the greatest appeal of online payday loans is the simplicity of the application process. No fax payday loans, so the name suggests, require no faxing, as long as you can provide proof of employment via your online banking, and there are no paper forms to fill out. Also, unlike a bank loan application, you are usually given whether you have been approved in 15 minutes or so. When the loan is approved, the funds are deposited directly from your bank account to either a debit or credit card. If you are able to pay them off, there may be additional fees, but you can usually avoid them by contacting your lender before hand.

### What can I use them for?

You can use payday cash advances for anything you need: medical expenses, food, utilities, whatever. You should try to avoid using them for long term financial support if possible, but we aren't going to ask you any questions. It's your money and your business, and we strongly advise and respect your privacy.

### Where can I get them?

Our day loans are available in most provinces in Canada, and you can also get them in the States.

**How it Works?**

- Complete the online application
- We Will Assess your application
- You will receive confirmation email if approved
- Money can be emailed for small extra fee or received same day in your account of your loan is approved before 2pm EST.

**Receive Your Money In Your Bank Account**

**Representative APR**

- To qualify for a payday loan, minimum net pay requirements will apply and may vary by province. Other conditions may also apply. Ask a Planet Loan Inc Customer Service Representative (CSR) for details.
- The cost of borrowing at Planet Loan Inc for a \$300 loan for 14 days is:  
Ontario 546%  
Alberta 598%  
Nova Scotia 546%
- We do not offer loans in Any other provinces.
