In the event types of properties other than described in this section are serviced in the future, they shall be assigned units in accordance with the principles and specifics set out in this schedule.

2. Service to customers outside Local Improvement District Limits:

The Council of The Rural Municipality of Taché may sign agreements with customers for the provision of water and sewer services to properties located outside the legal boundaries for the Municipality, or Local Improvement District. Such agreements shall provide for payment of the appropriate rates set out in section 1 of this schedule, as well as a surcharge, set by resolution of Council, which shall be equivalent to the frontage levy and from time to time, and would be levied on property concerned if it were within these boundaries. In addition, all costs of connecting to the Utility's mains, and installing and maintaining service connections will be paid by the customer.

3. **Connection Fees**

All costs of connecting to the utility's mains, and installing and maintaining service connections will be paid by the customer. Where a development agreement does not exist, the customer must pay the following connection fees:

<u>Meter Size</u>	<u>Fee</u>
5/8" & 3/4" water	\$1,000.00
1" water	\$2,000.00
1 1/2" water	\$3,000.00
2" water	\$4,000.00
Sewer	\$1,000.00

4. **Billings and Penalties**

A late payment charge of 1¼% shall be charged on the dollar amount owing after the billing due date. The due date will be at least fourteen days after the mailing of the bills.

5. **NSF Charge**

A charge of \$20.00 shall be added to the account when payment made by cheque or pre-authorized payment is returned due to insufficient funds or inability to trace the chequing account.

6. **Outstanding Bills**

Pursuant to Section 252(2) of *The Municipal Act*, the amount of all outstanding charges for water and sewer service are a lien and charge upon the land serviced, and shall be collected in the same manner in which ordinary taxes upon the land are collectible, and with like remedies.

7. **Disconnections**

In the event that access to public utility equipment is denied by the customer, or in the event of non-payment of a utility account, the Public Utilities Board has approved the Conditions Precedent to be followed by the Municipality with respect to the disconnection of service for non-payment including, such matters, as notice and the right to appeal such action to the Public Utilities Board. A copy of the Conditions Precedent is available for inspection at the Municipality's office.

8. **Reconnection**

Any service disconnected due to non-payment of account shall not be reconnected until all arrears, penalties and a reconnection fee of \$55.00 have been paid.

9. **Hydrant Rentals**

A charge of \$150.00 per hydrant per year shall be made upon the General Fund of the Municipality for the provision of fire protection services in the Local Improvement District of Lorette.

10. **Conditions of Disrepair**

That in the event there are conditions of disrepair in the sewer and water works on a property that detrimentally affects the system as a whole and, upon the failure of the owner of the property to correct the condition within a reasonable time, the Municipality, or its agents, may enter upon the property, effect repairs and charge the cost thereof against the subject property as ordinary taxes.

10. **Sewage Surcharges**

(a) There may be levied annually, in addition to rates set forth above, a special surcharge on sewage having a Biochemical Oxygen demand in excess of 300 parts per million, to be set by resolution of Council.

(b) A special surcharge for substances requiring special treatment shall be charged based on the actual costs of treatment required for the particular sewage or industrial waste.
