

News Release

NOTICE OF DECISION

January 11, 2016

By Board Order 4/16, the Public Utilities Board (Board) approved Centra Gas Manitoba Inc.'s (Centra) application to decrease the current Primary Gas rate from \$0.1064/m³ to \$0.0942/m³ effective February 1, 2016. Primary Gas is sold at cost by Centra to Manitoba customers.

The typical residential customer's bill will decrease by approximately 3.2% or \$25/year.

Primary Gas rates for customers that have signed fixed-term fixed-price contracts, with either Centra or a private broker, are not affected.

Primary Gas rates will be reviewed again May 1, 2016.

A copy of the Order, which contains significant additional information, may be reviewed on the Board's website www.pub.gov.mb.ca, or be obtained through the Board's Office.
