

WILLIAM HARPER
QUALIFICATIONS WITH RESPECT TO
COST OF SERVICE METHODOLOGY AND RATE DESIGN

Ontario Hydro (1980-2000)

- From 1980 to 1986 worked as a Power Costing Analyst and assisted in the development of cost of service methodologies and annual studies.
- From 1986 to 1987 worked as Superintendent of Rate Economics supporting the development of time of use and incentive rates for industrial customers.
- From 1987 to 1989 worked as Section Head, Rates Structures supporting the implementation of time of use rates for Ontario Hydro's municipal utilities and large industrial customers. Testified before the OEB annually regarding Ontario Hydro's proposed rates.
- 1989 to 1995 worked at the Manager level responsible for rates Ontario Hydro charged both municipal utilities and large industrial customers as well as the regulation of the retail rates charged by municipal utilities. In this capacity, testified at annual rate hearing before the OEB regarding Ontario Hydro's proposed rates and reviewed both cost of service studies and rate design proposals prepared by select municipal utilities in support of their rate applications.
