Thank you for your letter of earlier today.

Is the PUB in a position to advise if the “key issues” will be dealt with separately and consecutively at the concurrent evidence session? I ask because the City’s witness John Todd will only be dealing with issue (b) – the treatment of net export report and the allocation thereof. I would prefer not to have him attend the entirety of the hearing when he is only giving evidence on the one issue. Would it be possible to schedule issue (b) at the beginning of the concurrent evidence hearing so that he could depart once this portion was completed?

Please advise if you are able.

Thank you.
