Mr. K. Simonsen  
Associate Secretary  
Public Utilities Board  
400-330 Portage Avenue  
Winnipeg, Manitoba  
R3C 0C4

Dear Mr. Simonsen:

**RE: MANITOBA HYDRO'S COST OF SERVICE METHODOLOGY REVIEW**

Manitoba Hydro is in receipt of the letter dated December 8, 2015 from the Public Utilities Board ("PUB"). In accordance with the PUB's request, Manitoba Hydro is providing the Cost of Service Study ("COSS") information representing Manitoba Hydro's evidence as filed in previous Cost of Service proceedings.

With respect to the draft reports, Manitoba Hydro is not in a position to file the draft reports as they are not Manitoba Hydro documents. Manitoba Hydro has however filed the Final Report from Christensen Associates and Manitoba Hydro's response to Christensen Associates Recommendation with its submission of December 4, 2015.

With respect to the evidence submitted by Intervenors during the 2006 COSS Review, Intervenor Evidence was not submitted nor has it ever been adopted by the Corporation. Manitoba Hydro is not in a position to speak to this evidence and therefore suggests that Intervenors may be requested to file their respective evidence from the 2006 COSS Review during the review process to be established by the PUB.

If you have any questions or comments, please contact the writer at 204-360-3633.

Yours truly,
