

2015 COST OF SERVICE METHODOLOGY REVIEW**Manitoba Hydro Undertaking # 15**

Manitoba Hydro to provide Excel file with annual average load profiles by customer class for years 2012/2013 and 2013/2014.

Response:

Hourly load profiles for each of the domestic rate classes from 2012/13 and 2013/14 Load Research can be found in the Excel attachment to this Undertaking, in a similar format to Manitoba Hydro's response to PUB/MH I-53c-e.
