Re: **Manitoba Hydro's Cost of Service Filing**

The Public Utilities Board ("Board") is in receipt of Manitoba Hydro's Cost of Service filing provided to the Board on December 4, 2015. The Board requests Manitoba Hydro to post the filing on Manitoba Hydro's website and advise all past interveners of the filing immediately.

The Board notes that on August 22, 2014, it provided a letter to Manitoba Hydro setting out Minimum Filing Requirements ("MFRs") with respect to Manitoba Hydro's Cost of Service filing. A copy of the letter is attached for reference. The Board directs Manitoba Hydro to file these MFRs by no later than December 18, 2015. Once the Board has had an opportunity to review Manitoba Hydro's outstanding MFRs, the Board will decide on a hearing process with respect to Manitoba Hydro's Filing.

At this time, if any past registered Interveners on Manitoba Hydro matters are of the view that additional MFRs are required before the filing can be considered, they are to advise the Board of the requested MFRs by no later than Wednesday, December 16, 2015. Manitoba Hydro will then be directed to file any MFRs that the Board considers legitimate.

Yours truly,
