**RE: Manitoba Hydro's Cost of Service Study Methodology Review  
Manitoba Hydro's Request for Timetable Amendment**

---

The Public Utilities Board (Board) approves Manitoba Hydro's request to file rebuttal evidence on July 29, 2016. The Board will not amend any other filing dates in the Revised Hearing Timetable found in Schedule "A" to Board Order No. 84/16.

On July 12, 2016 the Board issued Procedural Order No. 84/16 which included a revised hearing timetable for the Cost of Service Methodology Review.

On July 19, 2016 Manitoba Hydro requested an extension from July 22, 2016 to July 29, 2016 to file their rebuttal evidence. On the same date, the Board sought comments from Registered Interveners on Manitoba Hydro's request. Intervener comments were due on July 20, 2016.

The Green Action Center (GAC) was the only Intervener to comment. The GAC had no issues with Manitoba Hydro's request but suggested that all filing deadlines in the month of August also be extended one week.

The Board will approve Manitoba Hydro's request to file their rebuttal evidence on July 29, 2016. The Board notes no other Registered Intervener (other than the GAC) had any comments to Manitoba Hydro's request or the proposed schedule.

Sincerely,

*"Original Signed By"*

Kurt Simonsen  
Associate Secretary
