Dear Mr. Simonsen:

The Coalition is supportive of the request of the GSS/GSM customer class. While we expect to file our material tomorrow, the time lines imposed also have been challenging to our team. We do not foresee a material prejudice to Manitoba Hydro or any other intervenor in a one working day extension to the GSS/GSM customer class

We have no objection. We are also having challenges given the extra week allocated to Manitoba Hydro and the fairly significant rebuttal filing by it.
