# Reminder Notice Of Public Hearing

## Applicant: Manitoba Public Insurance Corporation

### HEARING:

The Public Utilities Board (Board) anticipates holding a public hearing of an application from Manitoba Public Insurance Corporation (MPI) for approval of rates and premiums for compulsory vehicle and driver insurance as of March 1, 2017. The hearing would take place at the Board's Hearing Room, 4th Floor, 330 Portage Avenue, Winnipeg, MB (commencing at 9:00 a.m.) on October 13, 2016.

### RATE IMPACT:

The Corporation is requesting approval for Basic Autopac vehicle and drivers licence insurance rates and premiums effective March 1, 2017, which, if approved, will result in 2% overall increase in MPI's Basic premium revenue (excluding the impact of vehicle upgrades and an increased overall driver and vehicle population). The Corporation is also requesting an Interest Rate Forecast Risk Factor, effective March 1, 2017, to be developed collaboratively through the General Rate Application process.

Actual vehicle and driver premiums would vary depending on claim and driving experience, insurance use, territory and vehicle rate group. Full particulars, including the rate impact and application, can be found on the Manitoba Public Insurance website [www.mpi.mb.ca](http://www.mpi.mb.ca).

### PARTICIPATION:

Parties wishing to submit a brief or to express comments at the hearing should contact the Board Secretary.

### GENERAL INFORMATION:

Interested parties should take note that the Board does not have jurisdiction over the MPI lines of business denoted as Extension or SRE, or as to MPI's Driver and Vehicle Licensing operation.

Persons seeking further information as to MPI's application, or with respect to the Board's process, and/or wishing to address the public hearing in French should notify the Board Secretary.

As well, interested parties may examine MPI's application and supporting materials, either at the offices of the Corporation or on its website, or the Board's office.

The Manitoba Ombudsman has recently issued privacy guidelines for administrative tribunals. The Board is mindful of its obligations under those guidelines. Its decisions in respect of the application being considered will be sensitive to the guidelines. Personal information will not be disclosed unless it is appropriate and necessary to do so. However, the Board advises participants that these proceedings are public and that as a result, personal information protections are reduced.
