

### Undertaking # 22

MPI to provide a chart indicating how many of the one hundred and ten (110) shops are outside the City of Winnipeg, and indicate of the seventeen (17) participants in the distributed estimating projecting, how many are outside the City of Winnipeg.

### RESPONSE:

72 of the 110 are in Winnipeg, with the remaining 38 in the rest of Manitoba. Of the 17 shops participating in the Distributed Estimating (DE) pilot, 4 are located outside of Winnipeg.

The following table provides details on the distribution of shops throughout the province, for the FY 2015.

Region	Total Accredited Shops	Accredited Shops at 5 jobs/week
Winnipeg	124	72
Eastman	39	6
Central	34	8
Interlake	21	4
Parkland	20	3
South Central	14	5
Brandon	12	7
Norman	7	5
<b>Total</b>	<b>271</b>	<b>110</b>

\*note that the breakdown of total accredited shops in this table is as of 2015, and the total at that time is different from what is reported in MPI Exhibit 14.
