Re: 2017 MPI General Rate Application - Motions

On September 19, 2016, the Public Utilities Board (Board) sent out a letter of acknowledgement for the motions filed by Bike Winnipeg (BW) and Consumers' Association of Canada (Manitoba) Inc. (CAC).

The Board has now received notices from both BW and CAC withdrawing their respective motions.

Please be advised that motions hearing scheduled on Monday, September 26, 2016 has now been cancelled.
