

News Release

January 26, 2009

In Order No. 4/09 dated January 26, 2009, the Public Utilities Board (Board):

- a) confirms the interim rates approved in Ex Parte Order 47/08;
- b) approves an application for revised rates for the Lyleton Community Water Distribution System (Lyleton); and
- c) approves recovery of the 2008 operating deficit from the Utility’s accumulated surplus.

As required, Notice of the Rural Municipality of Edward’s application, the Board’s interim decision and the proposed revised rates were provided to ratepayers. Neither comments nor concerns were filed with the Board relating to this application. Previous, interim and now revised rates are as follows:
