In Order No. 31/09 dated March 26, 2009, the Public Utilities Board (Board) approved revised water rates for the St-Georges Utilities Water Co-operative (Utility) effective April 1, 2009.

The monthly rate is revised to \$45.00 from \$30.00 which is to be billed quarterly with a one month discount if a ratepayer pays annually.

The Utility withdrew a preliminary application for a commercial rate and, furthermore, advised that once sufficient monies have been set aside to meet future costs, rates may be reduced.

The Order can be viewed in its entirety on the Board's website: www.pub.gov.mb.ca.
