

News Release

July 20, 2018

NOTICE OF DECISION

The Public Utilities Board (Board) approved an application from Stittco Utilities Man Ltd. (Stittco) to increase the propane commodity rate from \$0.9725/m³ to \$1.1191/m³ for propane consumed on or after August 1, 2018. Propane distribution rates remain unchanged. Propane is sold on a cost recovery basis without markup by Stittco to its customers.

The new propane rate is projected to increase the average residential bill by approximately 6% when compared to current propane rates that were approved May 1, 2018. Propane rates will be reviewed again November 1, 2018.

The Board is an impartial tribunal and regulator, arm's length from government, which acts in the public interest.

Board Order 94/18, contains additional information on Stittco's Application and the Board's decision. The Order is available on the Board's website at www.pubmanitoba.ca, or through the Board's Office.
