

News Release

October 26, 2021

NOTICE OF DECISION

The Public Utilities Board (Board) approved the application of Centra Gas Manitoba Inc. (Centra) to increase the current Primary Gas rate from \$0.1323/m³ to \$0.1916/m³ effective November 1, 2021. Primary Gas is sold on a cost recovery basis without markup by Centra to Manitoba customers.

The new rate is projected to increase the bill for a typical residential customer by approximately 17.1% or \$124/year. Primary Gas rates will be reviewed again February 1, 2022.

Primary Gas rates for customers that have signed fixed-term fixed-price contracts, with either Centra or a private broker, are not affected.

The Board is an impartial tribunal and regulator, at arm's length from government that acts in the public interest.

Board Order 117/21, contains additional information on Centra's Application and the Board's decision. The Order is available on the Board's website at www.pubmanitoba.ca, or through the Board's Office.
