

News Release

December 31, 2010

By Order 122/10, the Public Utilities Board (PUB) established Manitoba Public Insurance's (MPI) 2011/12 Basic premiums and fees, reduced overall premiums by 4%, and directed, subject to specific pre-conditions, the issuance of a premium rebate of 10% (of vehicle premiums paid in the 2009/10 premium year).

Order 122/10 contemplated the issuance of a second Order, it to outline in more depth PUB's rationale for its decisions of Order 122/10 and, also, provide additional recommendations and commentary. This second Order, Order 145/10, has now been released and would best be read in conjunction with Order 122/10.

A copy of this Order, Order 122/10, and past Orders concerning MPI that contain related information, may be reviewed on the Board's website www.pub.gov.mb.ca.
