

News Release

June 14, 2010

In Order No. 58/10 dated June 14, 2010, the Public Utilities Board (Board) approved interim *ex parte* utility rate increases for the Town of Stonewall (Town).

The revised rates are to take effect with respect to all consumption after July 1, 2010. Below is a summary of the increases (increases to individual bills depend on usage and meter size):

Commodity \$/m ³	Existing Water	Existing Sewer	Combined	Interim Water	Interim Sewer	Interim Combined	% Inc
First 1,000 m ³	\$0.48	\$0.22	\$0.70	\$0.34	\$0.53	\$ 0.87	24
Over 1,000 m ³	\$0.25	\$0.22	\$0.47	\$0.34	\$0.53	\$ 0.87	85
Service Charges	-	-	\$9.50	-	-	\$22.27	134
Minimum Quarterly (16 mm meter)	-	-	\$22.10 ⁽¹⁾	-	-	\$34.14 ⁽²⁾	

Notes: ⁽¹⁾ Included 18 m³

⁽²⁾ Includes 13.64 m³

The Board's interim approval is provided on a conditional basis and without prior public notice due to an imminent need to generate additional utility revenue for the Town's utility.

The Orders can be viewed in their entirety on the Board's website: www.pub.gov.mb.ca.
