Mr. D. Christle
Secretary and Executive Director
Public Utilities Board
400-330 Portage Avenue

Dear Mr. Christle:

**RE: CENTRA GAS MANITOBA INC. ("Centra")
2019/20 GENERAL RATE APPLICATION- REQUEST FOR EXTENSION ON ROUND II
INFORMATION REQUESTS**

Centra received a total of 346 Second Round Information Requests ("IRs") including 100 from the Industrial Gas Users ("IGU") on May 28, 2019 one week after the original timetable contemplated as permitted by the Public Utilities Board ("PUB").

Centra has some initial concerns with its ability to answer certain of IGU's Round II IRs relating to cost allocation scenarios. Accordingly, Centra representatives intend to meet with IGU's consultant Mr. McLaren from InterGroup Consultants next week to review and clarify these IRs in efforts to provide Mr. McLaren with meaningful information by way of response to the IRs.

Centra is working towards and anticipates filing a significant portion of the answers to the Second Round IRs by June 11, 2019 as set forth in the timetable. However, due to the volume and the complexity of the Second Round IRs, together with the one week filing extension that was granted to IGU, Centra is requesting a one week extension from the PUB to file answers to all Second Round Information Requests from June 11, 2019 until June 18, 2019.

Should you have any questions with respect to this submission, please contact the writer at 204-360-3257 or Shannon Gregorashuk at 204-360-4270.
