Dear Mr. Christle:

**RE: CENTRA GAS MANITOBA INC. ("CENTRA") 2019/20 GENERAL RATE APPLICATION
("GRA") – REQUEST FOR AN EXTENSION OF TIME TO FILE WRITTEN REPLY**

Centra acknowledges receipt of Consumers' Association of Canada (Manitoba) Inc. and Industrial Gas Users Written Submissions on Issues not Identified for Oral Evidence filed at the end of the business day on Friday August 23rd. Pursuant to Order 98/19, Centra is to file its Written Reply Submission on Tuesday, August 27, 2019.

Given the change in timetable since Order 98/19 that now has Centra delivering its written and oral submission on Issues Identified for Oral Evidence on Wednesday August 29, 2019, Centra's immediate focus is on preparing those submissions. As such, Centra is requesting a short extension to file any written reply submission on Issues not Identified for Oral Evidence to Friday, August 30, 2019. Centra submits that this request is reasonable given the circumstances and that the granting of this request by the PUB will not impact upon or prejudice any other party to this proceeding as any written reply submission is not to be addressed further by any Intervener.

We look forward to the PUB's response to this request at its earliest convenience.

Should you have any questions or require clarification, please do not hesitate to contact the writer or Paul Chard at 204-360-5146.

Yours truly,

MANITOBA HYDRO LEGAL SERVICES DIVISION
