Attention: Darren Christle, Executive Director and Board Secretary

Dear Mr. Christle:

Re: MPI 2020 GRA – CAC Manitoba Submissions

On behalf of the Manitoba Branch of the Consumers' Association of Canada (CAC Manitoba), please find enclosed the following three documents:

- A preliminary list of legislative fact evidence and non-judicial authorities;
- The pre-filed testimony of John Todd entitled "An Assessment of the Capital Management Plan of Manitoba Public Insurance for the 2020/21 General Rate Application Based on Generally Accepted Regulatory Principles"; and
- The pre-filed testimony of Dr. Wayne Simpson and Andrea Sherry entitled "Protecting Consumers Against Risk: How Far Should It Go?".

While it is not necessary at this time to share the preliminary list of legislative facts and non-judicial authorities, it is being filed without prejudice as a courtesy to parties in this proceeding. Some of these materials may be filed in a book of authorities along with the written submissions of CAC Manitoba at a later date.

Should parties have any trouble locating the documents contained in the preliminary list, please contact Byron Williams or Katrine Dilay.

Yours truly,

Byron Williams
