Subject: MPI 2020/21 GRA - Motion to Compel Round 1 IR Responses

Importance: High

All,

I write further to the motion filed yesterday by CAC to compel answers to certain first round IRs.

The Board will proceed with a paper hearing of the motion; no oral submissions will be required and therefore no appearance is necessary on August 20th. The Board has set the following deadlines for the submission of written materials:

1. MPI to file its response to CAC's motion by August 20, 2019;
2. CAC to file any reply by August 21, 2019.

If you have any questions, let me know.

Thanks
Kathleen
