Undertaking #011

MPI to confirm, relative to the overall 5 percent, what would be the change in the impact of the DSR discount, if DSR 18 had a discount of 46 percent instead of 48 percent.

RESPONSE:

Adjusting DSR +18 discount from 48% to 46% results in an expected revenue decrease of 4.0%, or a 1% impact (-4.0% - (-5.0%)).
