Further to this matter, as per discussions held with PUB counsel earlier this week, we write to request that the deadline for the filing of reports by the IECs La Capra Associates and Morrison Park Advisors be extended from January 13, 2014 to January 24, 2014.

Counsel: The Honourable
Peter S. Morse, Q.C.

With respect to the supplemental reports and/or addenda which may be subsequently filed by these IEC's, we are advised by them that they will require four weeks from the receipt of further information from MH in order to meaningfully analyze said information and thereafter file a supplemental report and/or addenda. This particular issue will likely need to be reviewed in the near future as further information is provided.

In the interim, please feel free to contact me should you have any questions.

Yours truly,

HILL SOKALSKI WALSH TRIPPIER LLP
