Dear Sir:

Re: NFAT Review – Extension of Report Deadline for La Capra Associates and Morrison Park Advisors

This is further to your letter of December 13, 2013. In your letter, you advised that two of the Independent Expert Consultants appointed by the Public Utilities Board, namely La Capra Associates and Morrison Park Advisors, were seeking an extension from January 13, 2014 to January 24, 2014 to file their reports in the NFAT Review.

The PUB has considered your request and hereby approves an extension until January 24, 2014 for these two Independent Expert Consultants to file their reports.

Yours truly,
