

News Release

September 13, 2011

By Order 117/11, the Public Utilities Board (PUB or Board) rejects Manitoba Hydro's (MH) Application for a Review and Vary of PUB Order 99/11.

Order 99/11, an interim Order, is the first of two orders to arise out of a recently concluded rate hearing, wherein PUB reviewed MH's requests for rate amendments and other matters. The hearing canvassed MH's major capital development plan, a plan relying on new export contracts. PUB has issued a subpoena for MH's export contracts, which MH currently seeks to quash at the Manitoba Court of Appeal.

A copy of this Order, Order 117/11, and past Orders concerning MH may either be reviewed on the Board's website www.pub.gov.mb.ca, or obtained from the Board's Office.
