**Re: Centra Gas Manitoba Inc. (“Centra”) 2024/25 General Rate Application  
Applications for Intervener Status and Pre-Hearing Conference**

---

This letter is further to the Public Utilities Board’s (“Board”) letter of October 9, 2024 respecting Centra’s 2024/25 General Rate Application. Please be advised that:

- (a) the October 24, 2024 pre-hearing conference will take place as advised in the Board’s previous letter on this matter;
- (b) if prospective interveners cannot resolve disputes over access to commercially sensitive information, they are invited to speak to the issue on the 24th and seek a Board ruling if required;
- (c) at this time the Board has not requested any submissions from prospective interveners on Centra’s application for interim rates; and
- (d) Board counsel will be directed to circulate a revised draft hearing schedule before the pre-hearing conference in an attempt to obtain a consensus timetable.

Sincerely,

Rachel McMillin, B.Sc., MPA  
Associate Secretary
