PREAMBLE:

QUESTION:

Please provide the combustion turbine reservation agreement.

RATIONALE FOR QUESTION:

The Power Team Consulting report identifies project changes and developments not reflected in Manitoba Hydro's Major New Facilities filing. Power Team Consulting also identifies terms in the Reservation Agreement that were not identified in Manitoba Hydro's Major New Facilities filing.

RESPONSE:

After consulting with the OEM, whose consent to disclosing the Reservation Agreement was provided to Manitoba Hydro on the condition that it only be a confidential filing for the PUB, Manitoba Hydro is providing a copy of the Reservation Agreement in strict confidence to the PUB.
