The Public Utilities Board
400 – 330 Portage Avenue
Winnipeg, MB R3C 0C4

Attention: Jennifer Dubois, Associate Secretary

Dear Ms. Dubois:

RE: Manitoba Public Insurance Corporation (MPI) 2027 General Rate Application (GRA)

In accordance with section 25(1) of *The Crown Corporations Governance and Accountability Act*, MPI applies to the Public Utilities Board (PUB) for approval of vehicle rates and premiums for compulsory driver and vehicle insurance for the 12-month period from April 1, 2027 to March 31, 2028.

As per *the Election Financing Act*, MPI is seeking an exemption to make its 2027/28 General Rate Application public. At this time, we are requesting that the application be held confidentially until such time as the Corporation can confirm the exemption has been granted.

MPI will provide an unsecured version of the GRA on its secure File Transfer Protocol (FTP) site, accessible via a link shared by email with the PUB and prospective interveners (and their counsel). No username or password will be required. This version will also include Excel workbooks replicating the GRA tables.

MPI wants to ensure its GRA is accessible to everyone. Therefore, it is prepared to provide documents in alternative formats upon request. Accommodation needs, communications support, or alternate format requests shall be formalized to MPI's Accessibility Coordinator via:

expected timing and placement within the GRA.

MPI has redacted all confidential information within the GRA materials. Documents with partial redactions are identified in their headers, while fully redacted documents are replaced with placeholders. Upon receipt of signed confidentiality agreements and undertakings, the confidential materials will be provided to signatories via FTP, with password-protected access. Passwords will be sent separately by email.

Yours truly,
