

**NOTICE OF APPLICATION
RURAL MUNICIPALITY OF ROSSER
REVISED WASTEWATER RATES
CENTREPORT WATER AND WASTEWATER UTILITY**

June 17, 2024

The Rural Municipality of Rosser (RM) has applied to the Public Utilities Board (Board) for revised wastewater rates for Centreport Water and Wastewater Utility (Utility) as set out in By-law No. 8-24, read the first time on May 28, 2024. Rates were last approved in 2022 in Board Order No. 29/22, with rates coming into effect April 1, 2022. Water rates were subsequently increased April 1, 2024 as a result of a pass through increase from the Cartier Regional Water Coop.

The requested increase to the wastewater rate is a result of a April 1, 2024 rate increase imposed by the City of Winnipeg, and the RM has requested an effective date of July 1, 2024.

The current and proposed rates are as follows:

	Current Rates	Proposed Rates
	By-Law 6-24 April 1, 2024**	By-Law 8-24

The Public Utilities Board is the provincial regulatory agency that reviews and approves rates for water and wastewater utilities in Manitoba, with the exception of the City of Winnipeg. The Board's review process involves:

- the Utility filing a rate application to the Board,

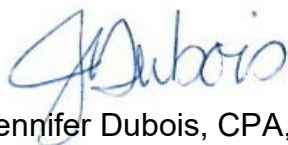

- a public notification of proposed rate changes,
- the Board's review of the application through a public hearing or paper review process, and
- the issuance of an Order which outlines the Board's decision on the rate application and the rates to be charged.

The Manitoba Ombudsman has privacy guidelines for administrative tribunals. The Board is mindful of its obligations under those guidelines. Its decisions in respect of the application being considered will be sensitive to the guidelines. Personal information will not be disclosed unless it is appropriate and necessary to do so. However, the Board advises participants that these proceedings are public and that as a result, personal information protections are reduced.

The Board will then decide whether any further notice is required and whether to proceed with a public hearing or paper review process. All concerns received by the Board will be considered in the Board's decision on rates to be charged.

PLEASE BE ADVISED THAT IN CONSIDERING THIS APPLICATION, THE PUBLIC UTILITIES BOARD MAY OR MAY NOT FIND IT NECESSARY TO DETERMINE RATES DIFFERENT FROM THOSE APPLIED FOR BY THE APPLICANT.

Note: All proceedings will be conducted in accordance with the Board's Rules of Practice and Procedure, which the Board may vary in order to constrain regulatory costs. The Rules are available at www.pubmanitoba.ca.
